2MD: VR Football is a **standing-room** motion-controlled VR gridiron football game, the very first of its kind for the PlayStation™ family. 2MD is a thrilling single player two-minute drill arcade experience where players take on the role of a quarterback tasked with capturing victory in the final minutes of a championship game:

Draw the plays, call the shots, and throw, hand off, or run the ball to take down opponents before the clock runs out!

Features:

- **Throw the pigskin like a pro!**
 - Featuring a realistic throwing model which allows for natural throws in VR. Throwing in 2MD is customizable for players of all sizes for either standing-room or even seated play, utilizing Move motion control tracking to create an experience that is the very first of its kind for PlayStation®Move or PlayStation®VR.
- **Draw plays and hone strategy in VR.**
 - For the first time ever, players are given the chance to customize up to 8 unique offensive plays in virtual reality before taking the field. In addition, players can dynamically flip their plays before the snap for that extra edge, giving them a total of 16 possible strategies to choose from.
 - Players can switch plays using digital controls or by utilizing voice commands
- **Up to 8 Customizable teams.**

- **Call the shots on the field.**
 - On the field, *you* choose the strategy: Deep pass, lateral, hand off, or even run the ball.

- **Exciting, arcade-style presentation**
 - Presented in a polished fighting-game style progression, 2MD features a 7-round heat that ends in a winner-take-all championship with a colorful, over-the-top presentation. On-field Jumbotron display gives players a birds-eye view of the action as it happens. Context-sensitive music, with added flare that kicks in when on a “HotStreak”: a mode that sets the ball aflame and buffs receivers stats for higher completion rates and faster running. Lastly, a rapid-fire bonus round is included at the end of each match, giving players the opportunity to massively increase their endgame score.

 - Bronze, Silver, Gold and Platinum Trophies are included, complete with virtual versions that populate the team’s locker room trophy case.
 - Regional and friend leaderboards are supported.
 - Unlockable teams, stadiums, and music, and even the coveted championship ring will keep players coming back for more.

**We recommend a play area with at least 5-6 feet (1.5 m) of space between the player and the PlayStation®Camera for an optimal experience. Additionally, placing the camera atop the TV (or at least 5 feet high or more) is better for accurate tracking, especially if playing standing.*
